ELECTRIC FORKLIFTS CAN WORK FOR YOU

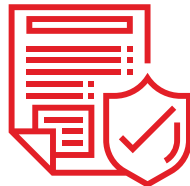

MAKE THE SWITCH TO
DEPENDABLE TOYOTA POWER

WHY BUY A USED ELECTRIC FORKLIFT

Interested in used equipment? If you haven't considered a reconditioned Toyota electric forklift, you may be missing out! Toyota's electric forklifts bring the high-performance you've come to count on with the cutting-edge engineering you expect. Toyota's quality means that the best new forklifts make the best used forklifts. Some of the many benefits of electric forklifts are:

- Simplified planned maintenance without oil or filters
- Fewer components to maintain
- Significantly lower cost per operating hour
- Zero carbon emissions
- Lowered noise levels
- Comfortable, smooth operation

OUR SUPERIOR RECONDITIONED ELECTRIC FORKLIFT WARRANTY

Each reconditioned Toyota electric forklift is covered by our standard 2-year/1,500 hour warranty which includes 1-year of on-site maintenance and a single-point battery watering system with purchase.

Warranty coverage provides (6) months full parts and labor, and (2) years (or 1,500 hours whichever comes first) major components and battery. Major components are defined as:

- Battery
- Drive & Pump Motors (excluding brushes)
- Electronic (SCR/Transistor) control panel components
- Contactor Panels (excluding contact tips & switches)
- Differential
- Drive Axle (excluding brake assembly)

BUY YOUR RECONDITIONED ELECTRIC FORKLIFT TODAY
