Our American oak comes from the lush white oak forests across the upper and central Midwest, the Northeast and the Mid-Atlantic. We enjoy long-standing relationships with family-operated mills who have been in the oak business for several generations. The **Appalachian** region with its expansive oak forests and magnificent stands of white oak produce some of the best stave wood in the country. The **Minnesota** forests lie along the same latitude as some of France's best oak forests and offer similarly elegant flavor profiles. **Missouri** quality white oak has been a mainstay of American barrel production for generations.
