

# XiLong Glass Product Co.,LTD

XILONG GLASS PRODUCTS CO.,LTD is a glass manufacturing company which was established in 1991. There are 12 furnaces. We produce glass bottles and jars from 30ml-3000ml. We have flint, amber, green, brown colors. We create unique packaging for the spirits, wine, beer, food, pharmaceutical, cosmetic, fragrance and personal care industries.

We have outstanding capability of paperless label decoration. According to customers' processing needs for different products, we can do paperless label decoration, like screen printing, electroplating, decal, frosting, embossment, color coating, precious gold stamping, precious silver stamping, and we will ensure quality.

We have been committed to be a solution provider to our clients for one-stop shop service, including open mould, produce sample, mass production, paperless label decoration, packing, shipment.

We will offer you our best service and show our utmost sincerity. Welcome to contact with us! We hope that we can grow up with you together!
