

VINVENTIONS

## Cork Recycling Program

Vinventions is pleased to offer our **Cork Recycling Program** for consumers, wineries and wine retailers. The program includes:

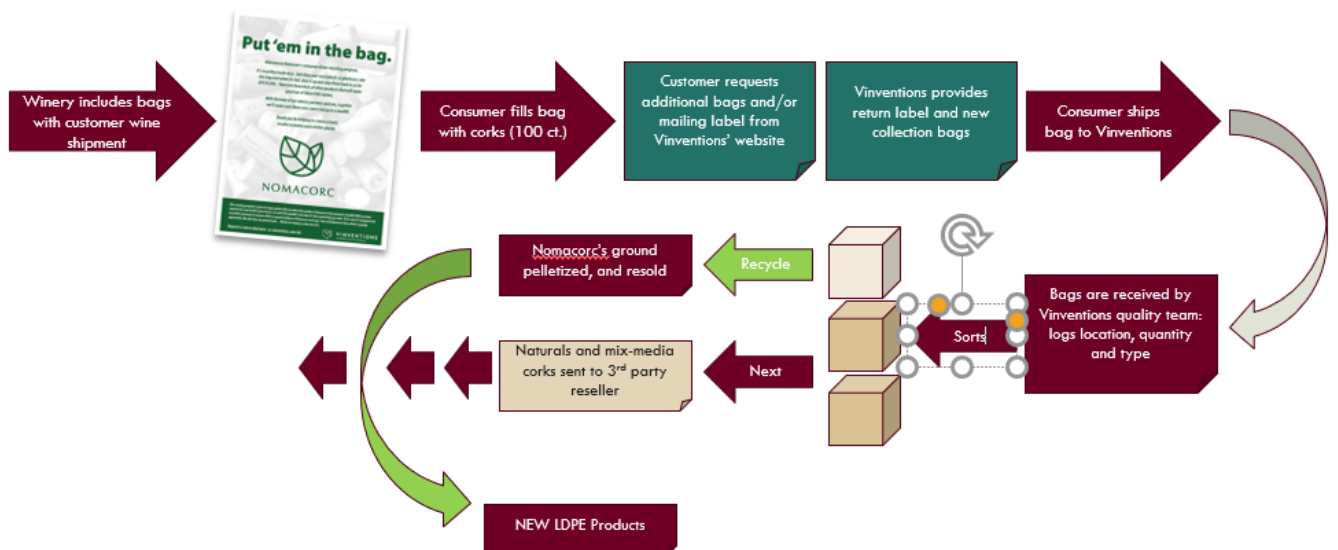

In-home cork recycling bags for consumers.

Door clings to let customers know your business offers cork recycling.

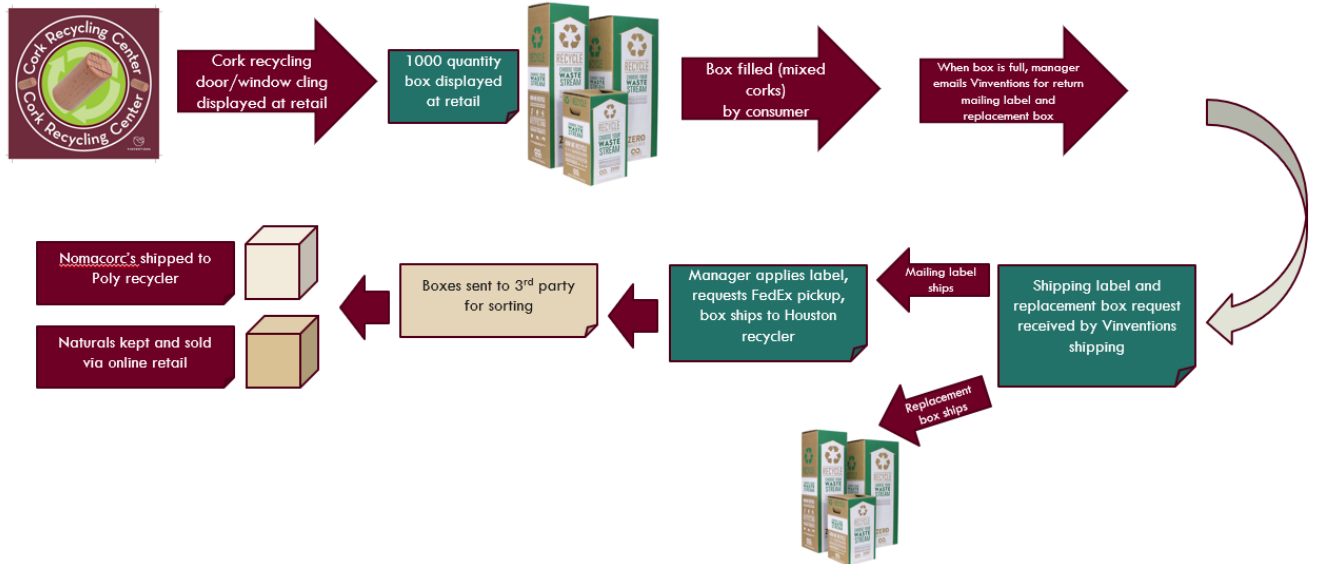

Freestanding Cork Recycling Center collection boxes for wineries and retailers and no-cost return shipping when the box is full.

Recycling services and recyclable items vary widely across the United States. Wine corks are one of many small items that can fall through recycling belts and be deposited in landfills. At Vinventions, we want to ensure that wine corks stay out of the landfills, become part of the circular economy and are given a second life. Here is how it works:
